Purpose of fund-raising activity:

Sell student-designed t-shirts to Freshman class during Orientation. This is an extension of an activity from the Summer math camp that will give these students the real-world application of the algebra skills involved.

Beneficiary of fund-raising activity:

The profit from the sale of the t-shirts would generate an account to purchase batteries for the math dept's graphing calculators. In the past, teachers have paid for these out of pocket. At least 120 AAA batteries per teacher per year.

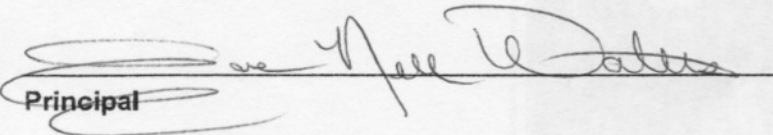

Date(s) scheduled:

7-31-08

Names of adult supervisors at activity (chaperones, custodians, etc.):

Jessica Addison	Students will be taking orders for the t-shirts themselves. This is an extension of an activity in math camp.
