

# NO CHILD LEFT BEHIND ADEQUATE YEARLY PROGRESS REPORT - 2008

July 30, 2008

# **Nelson County**

Grades: PRIMARY-12 Code: 451

### Met 11 out of 13 target goals (84.6 percent)

### Title I: Yes Made Overall AYP: No

Under the federal No Child Left Behind Act a school/district must make 100 percent of its target goals in order to qualify as having made Adequate Yearly Progress (AYP).

		Annual le Objective	Met Participation	Other Academic	
Student Group*	Reading	Reading Mathematics		Indicator**	
All Students	Yes	Yes	Yes		
White (Non-Hispanic)	Yes	Yes	Yes		
African-American	n/a	n/a	n/a		
Hispanic	n/a	n/a	n/a	Vac	
Asian	n/a	n/a	n/a	Yes	
Limited English Proficiency	n/a	n/a	n/a		
Free/Reduced Lunch	Yes	Yes	Yes		
With Disability	NO	NO	Yes		

For other measures of school progress see Commonwealth Accountability Testing System (CATS) results at: <u>http://www.education.ky.gov/</u>

\* If a student group is listed as n/a in the chart, it means there were not enough students in that group at this school to get a valid score for AYP purposes. Each student is included in the "All Students" group.

\*\*For elementary and middle schools, the "Other Academic Indicator" is the overall CATS 2007 midpoint Classification, which covers the other content areas as well as reading and mathematics. For high schools the Other Academic Indicator is the Graduation Rate. The Other Academic Indicator for schools with middle and high school grades is both the CATS 2007 midpoint Classification and the Graduation Rate.

\*\*\*If a subpopulation doesn't meet its Annual Measurable Objective, it can still be in "Safe Harbor" and considered to have made AYP if:

• The school reduced by at least 10% the number of students in the subpopulation who are not proficient, and

• That subpopulation meets the criteria for demonstrating improvement on the Academic Index.

### Federal Accountability No Child Left Behind (NCLB) Adequate Yearly Progress Report - 2008 Based on CATS Results

		Annual Measurable			Yearly Progre			
	Objective (AMO)				Summary	Consequences		
Testing						Overall	NCLB	School
Year	Reading	Mathematics		Reading	Mathematics	AYP	Tier	Year
2001-02	37.38	19.57		N/A	N/A	N/A		2002-03
2002-03	37.38	19.57		Yes	No	No		2003-04
2003-04	37.38	19.57		Yes	Yes	Yes		2004-05
2004-05	45.21	29.62		No	No	No		2005-06
2005-06	45.21	29.62		No	No	No	1	2006-07
2006-07	45.21	29.62		No	No	No	2	2007-08
2007-08	53.04	39.68		No	No	No	3	2008-09
2008-09	60.86	49.73						2009-10
2009-10	68.69	59.79						2010-11
2010-11	76.52	69.84						2011-12
2011-12	84.35	79.89						2012-13
2012-13	92.17	89.95						2013-14
2013-14	100.00	100.00						2014-15

The above table displays a summary of AYP decisions for reading, mathematics, and overall; and information about consequences.

#### Adequate Yearly Progress (AYP)

AYP is the term used in the federal No Child Left Behind (NCLB) Act to categorize whether a school or school district has met federal accountability requirements. Three components combine to determine whether a school or school district achieves AYP:

- 1. Annual Measurable Objectives (AMO) in reading and mathematics,
- 2. Participation Rate, and
- 3. Other Academic Indicator.

The other academic indicator differs depending on the grade level of the school. The other academic indicator for elementary and middle schools is the CATS 2007 midpoint Classification and for high schools it is the graduation rate.

To make AYP in **reading**, a school/district and each subpopulation of sufficient size must: 1) meet the AMO for reading, 2) have at least a 95% Participation Rate, AND 3) the school/district as a whole must meet the requirement of the Other Academic Indicator.

To make AYP in **mathematics**, a school/district and each subpopulation of sufficient size must: 1) meet the AMO for mathematics, 2) have at least a 95% Participation Rate, AND 3) the school/district as a whole must meet the requirement of the Other Academic Indicator.

For schools or districts that contain elementary, middle, and high school levels both the CATS 2007 midpoint Classification and Graduation Rate are used for the Other Academic Indicator. The school or district receives a yes or no in the overall AYP category based on whether a school/district has made AYP in reading and in mathematics.

It is important to note that if a school or district does not meet the requirement of the Accountability Index at the elementary and middle school levels and/or graduation rate at the high school level, or did not test at least 95% of all enrolled students and each subpopulation of sufficient size, the school is considered to have missed its AYP in both reading and mathematics.

District:	Nelson County
Code:	451
Title I:	Yes

#### No Child Left Behind Improvement School or District

A school or district that does not make AYP for two consecutive years in the same content area, reading or mathematics, is considered a No Child Left Behind Improvement School or District. A series of consequences (called "Tiers") is required of NCLB Improvement Schools for each subsequent year the school or district does not make overall AYP. Tier 1 of consequences begins after 2 consecutive years of not making AYP in the same content area.

#### NCLB Consequences

Tier 1 of Consequences (2 years not making AYP): Notify Parents using state provided information, revise district improvement plan, request technical assistance if needed, and may be subject to corrective action from the Kentucky Department of Education. Tier 2 of Consequences (3 years not making AYP): Notify Parents using state provided information, revise district improvement plan, request technical assistance if needed, and may be subject to corrective action from the Kentucky Department of Education. Tier 3 of Consequences (4 years not making AYP): Notify Parents using state provided information, revise district improvement plan, technical assistance if provided information, revise district improvement plan, technical assistance if provided by the state, and will be subject to corrective action from the Kentucky Department of Education.

NOTE: Additional years in Tier 3 are indicated with a hyphen and number after then number 3 (i.e., 3-2 or 3-3).

#### Other Academic Indicator

For elementary and middle schools, meeting the requirement for the Other Academic Indicator is defined as a:

- school classification of any category of Progressing or Meets Goal in the CATS 2007 midpoint Classification, **OR**
- school in the Assistance category which demonstrates growth in the accountability index at or above the state average for the specific grade-level configuration.

NCLB improvement on Graduation Rate means a Graduation Rate that:

- is equal to or greater than the corresponding annual goal, OR
- exceeds that of the prior year.

The application of the CATS 2007 midpoint Classification and the Graduation Rate as the NCLB "Other Academic Indicator" is *lagged* one year.

#### Safe Harbor (Denoted by "Safe")

A school or district that has not met the reading or mathematics AMO, is considered to have met the objective in reading or mathematics if the school or district:

- a) reduces its percent of total students or subpopulation(s) (whichever group(s) did not meet the reading or mathematics annual measurable objective), scoring below proficient by 10%; AND
- b) students in the same population or subpopulation(s) meet the criteria for demonstrating improvement on the Academic Index.
