In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI

Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.
