Re: Insurance Renewal

Dear Trish:

We appreciate the opportunity to continue our service to the Dayton Independent Schools. We take pride in being your insurance experts. We work with twenty-four school districts in our marketing area. We use that expertise to give you the best price and coverage combination. I want to encourage you to continue to take advantage of our expertise and our loss control services to improve your schools and make them as safe as possible.

As per our review of the pricing, your renewal premium for the coming fiscal year will be \$108,697. The Worker Compensation Insurance will be \$49,497. We will be placing that coverage with Employers Mutual Insurance Company. The balance of your coverage will be \$59,200. You will receive two separate invoices. We will need that payment by July 6<sup>th</sup> in order to upload the payments to the insurance carriers in a timely manner.

We will continue to work with you and your team to create a culture of safety. I know we can get the cost down by working closely together. I will be in attendance at your board meeting on the 21<sup>st</sup>.

If you have any questions or want to discuss further, please don't hesitate to let me know. Thanks again, for allowing us to serve your insurance needs.

Sincerely,

Steven A. Crawford, CPCU, CIC
