Ms. Marganna Stanley:
Superintendent
Henderson County Schools
1805 Second Street
Henderson, KY 42420

Dear Ms. Stanley:

Henderson County Schools has been very supportive of Henderson Community College by allowing us to utilize school buses for various projects. You have also kindly allowed us to sponsor a bus for the Women's Addiction Recovery Manor in the past. I am hoping you will extend that generosity again and allow the college to sponsor a bus for a WARM trip to Holiday World on August 26, 2017.

A part of the Recovery Kentucky initiative, WARM is a not-for-profit facility which provides long term rehabilitation for women addicted to mood-altering substances. I appreciate your willingness to consider the use of a bus for a recreational trip to support approximately 40 of the WARM clients.

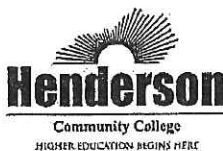

Thank you so much for your consideration of this request. Please let me know if you have any questions or concerns.

Best regards,

Kris Williams, PhD
President/CEO

Henderson County School Transportation Director Payne,

I want to request Henderson County School District's support in allowing us to contract transportation services for special field trips. As we know, Audubon Kids Zone kids are also Henderson County School District kids! I love the opportunity to collaborate in expanding their horizons. Here are upcoming trips that we need your assistance:

- July 14th (Preston Arts Center at HCC)
- July 21st (Sandi Lee Watkins Park)

We will contact you with times and numbers! Again, thank you for your assistance and support! Together, we will be able to support AKZ/HCS to a greater future!
