Re: Bid Recommendations

Bid Recommendations:

New & Retread Tires Bid # 11-17-5-6

Invitations were sent to Best One Fleet Service, Purcell Tire Service, and Raben Tire & Auto Service. All three companies returned bids. All three companies had comparable bids. Best One did not bid on Goodyear G399A tires and Purcell Tire did not bid on Firestone FS591 tires but both were lower in their pricing than Raben Tire. Ben Payne was present for the opening and shared that both Purcell and Best One have excellent service records with Henderson County Schools. Model Procurement Laws allow us to award multiple contracts to vendors. We are recommending the bid be awarded to both Best One Fleet Service and Purcell Tire Service. This allows us to purchase all of the listed tires at the best price.

Bid Renewals:

Auditing Services AUDIT 16

Myriad CPA Group currently has the contract for Auditing Services. This contract expired on June 30, 2017. A letter was sent to Myriad on June 23, 2017 requesting a renewal of their contract for the same price as the original contract. We received a signed agreement from Myriad to renew the AUDIT 16 contract. We are recommending you award the contract to Myriad CPA Group for an additional year.

LED Lightbulb and Fixtures Bid # 12-16-5-9

Galloway Electric Supply and Tri-State Lighting and Supply Company currently have the bid for LED lightbulbs and Fixtures. The bid is due to expire in September. Both companies have agreed to renew the bid for the same price and service for another year and have sent back signed agreements. We are recommending their contracts be renewed for another year.
