Dear Mr. Fugate,

Please allow this to acknowledge receipt of your note of June 23 regarding membership within the KHSAA. Your note raises an interesting concern about costs going forward, particularly for schools in your very unique situation. I will be presenting your note and this letter to our Board of Control at their July 14-15 meeting with a staff request for an amendment to our policy on membership dues for those very smallest of schools that only offer individual sports and do not participate in team sports where the opportunity for revenue sharing with other schools exists.

I would ask that before making any announcements or pronouncements about the future, please allow your request to be considered by the Board of Control and me to issue you a response.

I will be back in touch following that meeting.

Wishing you nothing but the best.

Sincerely,

A handwritten signature in black ink, appearing to read "Julian Tackett", is written over a light blue horizontal line.

Dear Commissioner,

I would like to say we have enjoyed being a part of the KHSAA but as a small one sport school with 27 high school students it does not justify \$1,000.00 for our five students who run Cross Country. We will not be renewing our membership this year. While the student count is around 210 - 280 between each price increase it would have been helpful to have 0-100 at \$500.00. You may give this some thought for future consideration.

Thanks for all you do. Wishing you a great season.

Sincerely,

JP Fugate, Headmaster
