PROFESSIONAL DEVELOPMENT

- We have 14 teachers attending a Junior Great Book/Shared Inquiry Training on July 31 and August 1 in our board room.
- Many content areas and grade levels have been in over the summer for six hours of professional learning working on curriculum alignment and finalizing curriculum documents.
- We are in the middle of putting the final touches on the August 14 professional learning day, along with planning many other items for the upcoming school year.

ASSESSMENT

- Schools are currently working on their Assessment Calendars for the 2017-2018 school year.

TEACHER EVALUATION

One change to the evaluation plan is reducing the amount of observations a non-tenured teacher receives in one year. In the previous plan, a non-tenured, non-first year teacher would receive two mini observations, one peer observation, and one full observation. The plan has changed to include: one mini observation, one peer observation, and one full observation.
