Dear Mr. Kenner,

I am requesting to add 10 more extra days to Mr. Voth's assistant principal's salary. These funds will be coming from South Todd's SBDM funds. Mr. Voth has been very helpful in opening the school year. We attended KASA conference and other trainings this summer. The extra 10 days Mr. Voth will work will be beneficial to the South Todd's staff and students. Thank you for your consideration in this matter.

Sincerely,

Camille Dillingham
