Reading Coordinator Job Description

Election

The Superintendent of schools will employ a district Reading Coordinator. The Reading Coordinator shall work a 200 day calendar and compensation will be determined by the certified salary schedule. The Reading Coordinator shall be directly responsible to the superintendent or her/his designee.

Qualifications

The Reading Coordinator must hold a valid teaching, program consultant, supervisor of instruction or principal certification to be initially employed. This person must possess qualities of effective leadership and knowledge of reading (reading, writing, speaking, listening and critical thinking) instructional strategies. Communication skills and interpersonal traits that personify excellence will be necessary for this position. The attainment of excellent computer skills will be required.

Reading Coordinator:

- 1. Shall assist in developing, leading and evaluating the district's total reading instructional program.
- 2. Shall focus on the implementation of the Kentucky Academic Standards.
- 3. Shall model "best practice" reading teaching strategies across the content areas.
- 4. Shall facilitate reading curriculum and instructional practice changes through modeling, leadership, professional development and coaching.
- 5. Shall direct the implementation of cross-curricular reading integration.
- 6. Shall lead teachers in determining the reading learning needs of their students and improvement of their performance.
- 7. Shall direct the determination of research-based, developmentally appropriate reading programming (content and strategies) in consultation with the Assistant Superintendent of Teaching and Learning.
- 8. Shall provide staff development activities when requested.
- 9. Shall assist schools in communicating reading instructional issues to parents.
- 10. Shall participate in additional trainings as deemed necessary by the schools/district.

- 11. Shall possess a demonstrated capacity for training others, utilizing a variety of instructional strategies and other "tools" to change programming consistent with the Kentucky Academic Standards.
- 12. Shall lead teachers in the understanding of "team planning" as it relates to integrating reading curriculum, instruction and meeting individual student needs.
- 13. Shall provide leadership in analyzing assessment data and determining areas of strength and weakness.
- 14. Shall assist schools in implementing reading strategies to address areas of weakness as determined by analyzing assessment data.
- 15. Shall assist teachers in designing integrated teaching units.
- 16. Shall serve on instructional committees and attend committee meetings as necessary.
- 17. Shall be actively engaged in continuous learning and updating of professional libraries.
- 18. Shall direct alignment of reading curriculum/instruction after consulting with the Assistant Superintendent of Teaching and Learning and/or school principal.
- 19. Shall provide assistance in integrating technology into classroom instruction.
- 20. Shall be a resource for new or marginal teachers as deemed necessary.
- 21. Shall assist with designing and implementing the district reading RTI program.
- 22. Shall perform other duties as assigned by the superintendent or designee.
