On a typical day, the Southgate Enrichment Program will operate in the following available district spaces:

Tuesday	Gym
Wednesday	Room 215/Cafeteria
Thursday	Room 210/Room 108
Friday	Gym/Library

The program will be very flexible based upon the school schedule. The cafeteria will always be available in the mornings, and the auditorium is available on Monday mornings if needed.

The Southgate Enrichment Program will meet the needs of our working families who need assistance with childcare. There are limited options available for our families so meeting their needs is imperative. We want to keep our Southgate children here if possible as opposed to the alternative. The Southgate Enrichment Program will serve as an investment in our children and their future successes.
