In an SBDM school, the school council shall organize a planning process, consistent with District's established planning process.

In a school without a council, the Principal shall appoint a School Planning Committee comprised, at a minimum, of four (4) teachers, four (4) parents, and a community representative. The high school(s) shall include a student on the committee. The community representative shall not be a teacher, spouse of a teacher, or a parent of child(ren) attending the District schools.

The primary purposes of the CSIP shall be:

- To improve student achievement on state and federal mandated testing/accountability instruments; and
- To eliminate achievement gaps among groups of students.

Unless the school planning committee requests and is granted a waiver by the Board, the school committee shall use the platform provided by the Kentucky Department of Education. The CSIP structure shall include the components set out in 703 KAR 5:225, Every Student Succeeds Act of 2015 (ESSA), and the elements required by KRS 158.649.

In addition, the school council, or school planning committee appointed by the Principal if there is no council, shall review annually the school's disaggregated student data and revise the school's improvement plan, as required by applicable statute and regulation, to address any gaps between various groups of students.

The plan shall also address reduction of physical and mental health barriers to learning, student equity, District safety and student discipline assessments, and District goals established by the Board.

The school plan shall serve as a resource for school/council decision making and shall be posted.

PUBLIC REVIEW

The Principal shall convene a public meeting at the school to present and discuss the plan prior to submitting it to the Superintendent and Board.

Comprehensive School Improvement Plan**SCHOOL REPORT CARDS**

In addition to the above requirements, beginning the 2018-2019 school year and annually thereafter, each school shall post its school report card on its website as required by ESSA. School report cards shall be widely accessible to the public, in an understandable and uniform format, and when possible, written in a language that parents can understand.

BOARD REVIEW

The school's plan for eliminating achievement gaps among various groups of students shall be shared with the Board for its review and comment. The Board may share its comments, in writing, with the council.

Dismissal from School

RELEASE OF STUDENTS

At any time students are dismissed from school, they shall be released according to the written instructions provided by the custodial parent/guardian. The instructions, which shall be requested at the time the student registers/enrolls for the school year, shall include the student's regular mode of transportation at the end of the day and a list of persons, in addition to the custodial parent/guardian, who are authorized to pick up the child from school. Any deviation from the authorized release process must be approved by the Principal/designee prior to the student departing school in another manner.

It shall be the responsibility of the custodial parent/guardian to notify the school in writing if release instructions are to be revised. If written instructions are not provided to the school, the student shall only be released pursuant to the original written instructions provided by the parent/guardian.

Unless the school has been informed and given evidence of a state law or court order concerning the status of the student, both parents shall have the right to release of the student under their care.

Any student who leaves the school grounds at any time without proper authorization shall be subject to appropriate disciplinary action.

RELEASE PROCESS

If the student is to be picked up early, the custodial parent/guardian or designee shall report to the Principal's office and sign for the student's release.

Each school shall maintain a daily entry and exit log of students signing in late or signing out early and shall require proof of identification from individuals (visual identification by an employee, driver's license, picture identification, etc.) to assure that they are authorized to pick up the student.

Those students who are not on record as being under the care or control of a parent/guardian may sign for their own dismissal.

EXCEPTIONS

A student may be released to a person with lawful authority to take custody of the student, e.g., a police officer with a warrant or the person authorized by the Cabinet for Health and Family Services when the student is committed to the Cabinet or when the Cabinet is granted custody of the student by a court order. In such case, the student's parent shall be notified at the earliest opportunity except as otherwise provided by a court order or law.¹

Dismissal from SchoolEXCEPTIONS (CONTINUED)

When custody of a student is granted to the Cabinet by a court order as a result of dependency, neglect, or abuse, the Cabinet shall notify the Principal, Assistant Principal, or Guidance Counselor of the names of persons authorized to contact the child at school or remove the child from school grounds.

The notification shall be provided to the school by the Cabinet:

- a) Verbally and documented in writing by the Principal, Assistant Principal, or Guidance Counselor on the day that a court order is entered and again on any day that a change is made with regard to persons authorized to contact or remove the child from school. The verbal notification shall occur on the next school day immediately following the day a court order is entered or a change is made if the court order or change occurs after the end of the current school day; and
- b) By written document within ten (10) calendar days following a change of custody or change in contact or removal authority.
