

GOVERNOR'S COMMONWEALTH INSTITUTE FOR
PARENT LEADERSHIP

PRICHARD COMMITTEE FOR ACADEMIC EXCELLENCE

Report to Board of Directors of NKCES

September 2017

Greetings, Superintendents! Hope the school year is off to a great start for you!
I'm happy to let you know that the Prichard Committee will be offering TWO one-day Parent Leadership opportunities this fall:

NORTHERN KENTUCKY PARENT LEADERSHIP BASECAMP 101

Basecamp is a first step for parents and community leaders interested in taking active roles in public education in Kentucky – for their own children and all children. This one-day training will introduce participants to focused and effective approaches to engagement in Kentucky's schools.

AND

NORTHERN KENTUCKY PARENT LEADERSHIP BASECAMP 201

All NKY parents who attended Parent Leadership Basecamp on April 29th plus any GCIPL Fellow, Site-Based Council Parent, or parent who is engaged and wants to know/do more are encouraged to attend: focus will be on specific steps and guidance for parents to engage in school leadership, develop in-school or after-school projects, connect with community organizations involved in supporting education and student achievement.

BOTH SESSIONS WILL TAKE PLACE ON:

Saturday, November 4th

9:30 a.m. to 3:30 p.m.

CITI, 4600 HOUSTON ROAD, FLORENCE

A big thank you to Citi for again providing great space for
Parent Leadership Basecamp 101 and 201

Please recruit parents from your districts!

We had great response from our first Parent Leadership Basecamp!

PRICHARD COMMITTEE FOR ACADEMIC EXCELLENCE

STUDY • INFORM • ENGAGE

Governor's Commonwealth Institute for Parent Leadership (GCIPL)

We are putting a hold on GCIPL for 2017. We had great response to the one-day Parent Leadership Basecamp earlier this year so we are repeating the one-day opportunity (Basecamp 101) and adding a second one-day opportunity (Basecamp 201) for those who attended the first Basecamp and want to know more.

We feel we can reach more parents through this Basecamp model than we were able to accept into GCIPL each year. Delivery of the content/information is more focused and costs are significantly reduced. Thank you to the superintendents who encouraged us to look at different delivery approaches for parent engagement and leadership guidelines and content.

We are evaluating the future of GCIPL and will keep you informed as we consider the future of the traditional five-day training program. We strive to be good stewards of time and dollars.

Family and Community Engagement Training

In addition, the Prichard Committee provides a variety of training opportunities for school staff, families, and community members to learn how to work in partnership to support the academic success of all students in their public schools. We can also customize a training to meet your specific needs.
