Re: Ockerman Elementary – Flooring Replacement
#129-717

Dear Eric:

In accordance with current KDE Regulations that a letter agreement is sufficient for projects with a construction cost under \$50,000, this letter will serve as our agreement on referenced Project. We will perform our usual basic professional services in accordance with the Kentucky Department of Education's Fee Schedule. Our certificate of insurance and Non-Collusion Affidavit are attached.

We are enclosing two originals – please sign both originals, return one copy to our office (we will forward to KDE on your behalf), and retain one for your files.

We appreciate the opportunity to be of continuing professional service.

Best regards,

Ehmet Hayes
