RE: Invitation to the 2017 Fall KSBA Regional Meeting (with enclosures)

On behalf of the Wolfe County Board of Education, it is a pleasure to invite you to the 2017 fall regional meeting for the Kentucky School Boards Association's Eastern Kentucky South Region. This year's meeting will be held on Monday, October 30, 2017 at the Wolfe County High School in the library located at 20 Wolfe County High School Road, Campton, KY.

Knowledge is power, and this year's KSBA's Fall Regional Meetings are designed to give you facts, background information and insider tips to make sure that you are confident when you make that call or email to your senator or representative. But the knowledge flows both ways: KSBA is increasing member involvement in our advocacy work. We want input from all our members as we craft the KSBA legislative agenda for 2018, using feedback from our legislative survey along with information gathered through instant polling at each Regional Meeting.

What might the state's new two-year budget hold for schools? What about bills making reforms to school councils, teacher tenure and the teacher tribunal system? Pension changes? Tax credits to help families pay for private school tuition? Join us and take a deeper dive into the critical issues that will affect your school board in the coming years and lend your voice to an open discussion from the floor to make one another and KSBA staff aware of issues not yet aired.

All the following times for the Eastern Kentucky South Regional Meeting will take place on EST. The evening will begin at 5:30 PM with registration and a hospitality time featuring refreshments and entertainment. The meal will begin at 6:00 PM with the program starting at approximately 6:45 PM. All board members participating through the end of the program will receive 75 minutes of approved board member training credit toward the annual continuing education requirement, as well as credit for regional meeting attendance in the KSBA Academy of Studies.

Please mark your calendars and register NOW for an evening of good food and fellowship with other board members and superintendents across your region. We look forward to seeing you on October 30, 2017. Thank you for your continued commitment to Kentucky's public schools and students.

**\*Note to Superintendents: To register your board for this year's fall regional meeting, please return the enclosed registration forms by October 6, 2017 or as soon as you know who will be attending from your district. Cancellations must be received by October 17, 2017 in order to avoid your district being billed. Thank you.**
