Consent Agenda Item (Action Item): Consider/Approve the creation of TEDS coordinator positions to be on the district high schools supplemental list so the schools can employee these coordinators if they so choose.

Applicable Statute or Regulation: KRS 162.90 Powers and duties of the local board.

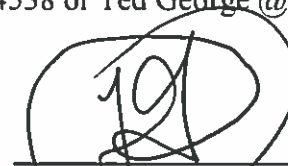

Fiscal/Budgetary Impact: Salary commensurate with BOE approved salary schedule. These positions will give the schools the opportunity to hire TEDS coordinators from the already BOE allocated extra\co- curricular funding if they so choose. There will be no financial impact for the Board.

History/Background: With the ever increasing number of students enrolling in career education classes schools need the option to have in house employees supporting students in their efforts to become career ready.

Recommended Action: Adopt as recommended.
