Nonteaching Coaches and Assistant Coaches

Any middle or high school coach (head or assistant, paid or unpaid) shall successfully complete all training required by the District, the Kentucky Board of Education, the Kentucky High School Athletic Association, and state law and regulation. This shall include safety and first aid training and providing the school documentation of successful completion of a C.P.R. course that includes the use of an automatic defibrillator and first aid training, conducted by an instructor or program approved by a college or university, the American Red Cross, American Heart Association, or other bona fide accrediting agency. Initial certification shall use in-person instruction with certification updated as required by the approving agency.²

Nonfaculty coaches and nonfaculty assistants shall complete District training that includes information on the physical and emotional development of students of the age with which they will be working, the District's and school's discipline policies, procedures for dealing with discipline problems, and safety and first aid training. Follow-up training shall be provided annually.¹
