RESPONSIBILITY

Each school council, or Principal, in a school without a council, shall develop, monitor, and annually update a Comprehensive School Improvement Plan (CSIP).

In an SBDM school, the school council shall organize a planning process, consistent with District's established planning process.

In a school without a council, the Principal shall appoint a School Planning Committee comprised, at a minimum, of four (4) teachers, four (4) parents, and a community representative. The high school(s) shall include a student on the committee. The community representative shall not be a teacher, spouse of a teacher, or a parent of child(ren) attending the District schools.

The primary purposes of the CSIP shall be:

- To improve student achievement on state and federal mandated testing/accountability instruments; and
- To eliminate achievement gaps among groups of students.

FORM

Unless the school planning committee requests and is granted a waiver by the Board, the school committee shall use the platform provided by the Kentucky Department of Education. The CSIP structure shall include the components set out in 703 KAR 5:225, **Every Student Succeeds Act of 2015 (ESSA)**, and the elements required by KRS 158.649.

In addition, the school council, or school planning committee appointed by the Principal if there is no council, shall review annually the school's disaggregated student data and revise the school's improvement plan, as required by applicable statute and regulation, to address any gaps between various groups of students.

The plan shall also address reduction of physical and mental health barriers to learning, student equity, District safety and student discipline assessments, and District goals established by the Board.

The school plan shall serve as a resource for school/council decision making and shall be posted.

PUBLIC REVIEW

The Principal shall convene a public meeting at the school to present and discuss the plan prior to submitting it to the Superintendent and Board.
