Dismissal from School

RELEASE OF STUDENTS

At any time students are dismissed from school, they shall be released according to the written instructions provided by the custodial parent/guardian. The instructions, which shall be requested at the time the student registers/enrolls for the school year, shall include the student's regular mode of transportation at the end of the day and a list of persons, in addition to the custodial parent/guardian, who are authorized to pick up the child from school. Any deviation from the authorized release process must be approved by the Principal/designee prior to the student departing school in another manner.

It shall be the responsibility of the custodial parent/guardian to notify the school in writing if release instructions are to be revised. If written instructions are not provided to the school, the student shall only be released pursuant to the original written instructions provided by the parent/guardian.

Unless the school has been informed and given evidence of a state law or court order concerning the status of the student, both parents shall have the right to release of the student under their care.

Any student who leaves the school grounds at any time without proper authorization shall be subject to appropriate disciplinary action.

RELEASE PROCESS

If the student is to be picked up early, the custodial parent/guardian or designee shall report to the Principal's office and sign for the student's release.

Each school shall maintain a daily entry and exit log of students signing in late or signing out early and shall require proof of identification from individuals (visual identification by an employee, driver's license, picture identification, etc.) to assure that they are authorized to pick up the student.

Those students who are not on record as being under the care or control of a parent/guardian may sign for their own dismissal.

EXCEPTIONS

A student may be released to a person with lawful authority to take custody of the student, e.g., a police officer with a warrant or the person authorized by the Cabinet for Health and Family Services when the student is committed to the Cabinet **or when the Cabinet is granted custody of the student** by a court order. In such case, the student's parent shall be notified at the earliest opportunity **except as otherwise provided by a court order or law.**

The verbal notification shall occur on the next school day immediately following the day a court order is entered or a change is made if the court order or change occurs after the end of the current school day; and
- b) By written document within ten (10) calendar days following a change of custody or change in contact or removal authority.

In addition, the Board authorizes emergency release of students for illness or other bona fide reasons, as determined by the Principal.
