General Campaign

Use the campaign to show the unlimited potential of young children. Elevate Pre-K as the first educational step towards shaping our youth into great thinkers, disruptive innovators, and community leaders.

This is

**Natural
Leadership**

**There's more than
one way to Pre-K**

MyPre-K is a program of the Department of Education, Office of Early Childhood Education, designed to provide a high-quality, culturally responsive, and developmentally appropriate pre-kindergarten experience for all children. MyPre-K is a program of the Department of Education, Office of Early Childhood Education, designed to provide a high-quality, culturally responsive, and developmentally appropriate pre-kindergarten experience for all children.
