Consider/Approve: Consider/Approve Surplus nine buses, bus parts that are no longer usable with our current fleet and allow auction.

Applicable State or Board Policy: 04.8 Disposal of School property.

Fiscal/Budgetary Impact: The Transportation Department has budgeted monies to cover the cost of the Auction. The total cost will be approximately 1,200.00.

History/Background: Annually, we review our fleet of buses to determine which buses are depreciated out and are too costly to repair. Inventory of parts that are no longer usable with our current fleet. We have auctioned buses in the past and it has proved to be successful.
