

Marion County Public Schools: Where We ...

October 12, 2017 Leadership

Providing Training for New Superintendents Statewide
MCPS was selected by the National School Board Association to present at the
National Conference on our work with Strategic Planning

Excellent Teaching & Powerful Learning

- Eprobe (new technology platform that replaces ASSIST) diagnostic phase 1 has been completed with the Kentucky Department of Education (KDE). This is the first step of the school improvement planning process.
- Measured Academic Progress (MAP) student progress reports have been printed and will be ready to hand out at family nights.
 - CES-Oct. 26
 - GES-Oct. 30
 - LES-Oct. 28
 - WMES-Oct. 24
 - MCMS-Oct. 26
 - MCKA-Oct. 23
- MCHS has switched to the CERT exam, an ACT readiness resource. 10th & 11th grade students took the first assessment yesterday. 12th graders that want to utilize this resource will have the option.
 - Oct 19 - Family night to learn about CERT and receive progress report
- State Assessment results are public.
- All professional growth plans should be complete for all certified staff members.
- Professional learning communities in each school have started (analyzing individual student KPREP data); Work continues with KDE Next Generation Leadership Network with the core group expanding to all schools with two members from each school.
- Division of Student Success requested that Menifee County Schools visit CES on November 8 - Response to Intervention (RTI) Model Site
- Monday, Oct. 9th was a staff professional learning day.
- PD Day for all staff, October 9th - Locations & agendas for groups:
