ROLL CALL

**Roll call showed the following members present:
Karen Collins, Carla Egan and Jesica Jehn.**

RECOGNITION

**Dr. Webb led the celebration by thanking everyone for coming to our first Assessment Celebration and thanking all who helped make it happen.
He stated that the Kentucky Department of Education did not label schools based on the 2017 data as the state accountability model is transitioning to a new accountability model. However, to honor the work and maintain continuity in the interim, the district utilized the same formula to assign designations to the schools and district. With that said, we celebrated the following successes:**

**16 out of 18 Schools Proficient or Higher
11 Distinguished Schools
4 Schools of Distinction
5 Proficient Schools
Highest Average District ACT Scores Ever 21.1
District Advanced Placement (AP) #9 in KY (1047 exams 67.91%)**

**Dixie Heights High School #8 in KY AP 74.69%
RC Hinsdale Elementary #1 in KY Reading NAPD
RC Hinsdale Elementary 2nd in KY Attendance 97.8**

ADJOURNMENT

Mrs. Collins asked for a motion to adjourn. Mrs. Egan made the motion and Mrs. Jehn seconded; all were in favor; meeting adjourned.
