Dr. Henry Webb, Superintendent of Schools

Special Education Regulations and Procedures require annual School Board Approval of Admission Release Committee (ARC) Chairpersons by job or position title. Training has been provided to school administrators, counselors, and school psychologists for the 2017-18 school year. ARC Chairpersons who had more than 3 years of experience as an ARC Chairperson were provided the opportunity to participate in a two hour update training. ARC Chairpersons with less than 3 years experience were required to attend the two hour training and an additional one-hour training. It is requested that the Board approve all school administrators, counselors, and school psychologists who have received required trainings as ARC Chairpersons for 2017-18 school year. Each principal will receive an updated list of approved ARC Chairpersons.
