

Finance Advisory Committee

November 9, 2017 – 4:30
VanHoose Education Center
Stewart Auditorium

Agenda

- I. Using evaluation research for effective monitoring and funding decisions
 - a) Program evaluation with benchmark district examples
 - b) What counts as a “program” vs “model” vs “initiative”
 - c) Different types of evaluation
 - d) Discuss “review” vs “evaluation”
 - e) When to use true evaluation process
- II. Specific Examples of when JCPS should expect true program evaluation and how/when to incorporate program data into organizational planning cycles
- III. Discuss current connection between evaluation results, decision-making, and funding. Should the evaluation process be a component (of several) to make funding decisions?
