

Learning that works for Kentucky

**CTE™**

**TRACK**

**KENTUCKY  
APPRENTICESHIP**  
*Earn. Learn. Succeed.*

# TRACK Pursuit

- ❑ **Statewide Youth Apprenticeship program in partnership with the Kentucky Labor Cabinet for Registered Apprenticeship**
- ❑ **Utilizes the current secondary Career and Technical Education infrastructure at no cost**
- ❑ **Creates a seamless Career Pathway for students into post-secondary Registered Apprenticeship opportunities**
- ❑ **Creates a pipeline of students with a good foundation and an interest in the occupation**

# TRACK Practice

- **Employer registers apprenticeship program with KY Labor Cabinet**
- **Employer works with school to identify students and selection process**
- **Employer chooses a minimum of a 3 course sequence; offers a co-op**
- **Employer determines if student completes successfully**
- **On-the-job hours are credited through co-op**
- **Student receives related technical instruction credit for coursework**

# Laying TRACKs

## ❑ **Established Youth Apprenticeships**

### **a. Manufacturing**

Industrial Maintenance, Welding, Machining, Mechatronics

### **b. Electrical**

### **c. Construction**

### **d. Early Childhood Education**

### **e. Engineering**

# Fast TRACK

- **Business**

Accounting, Finance, Marketing, Administrative

- **Heavy Equipment Operation**

- **Information Technology**

- **Healthcare**

- **Automotive/Diesel**

# TRACK Race... Going the Distance!

**If an employer invests in Registered Apprenticeship, CTE will build a secondary pipeline utilizing the TRACK model.**

# TRACK Results

- ✓ **Apprenticeship being recognized as a valuable post-secondary option for students**
- ✓ **Career pathway leads to the gainful employment**
  - ✓ **Re-enforces employability skills**
- ✓ **Creating a competitive recruiting environment**
- ✓ **Substantial on-the-job hours being credited to student towards apprenticeship hours**
- ✓ **Dual/Articulated credit is being accepted for post-secondary related technical instruction**
- ✓ **Employers are registering apprenticeship programs just to participate in TRACK**

# TRACK Feat

**KEES funding can be utilized  
for Registered Apprenticeship  
starting in the 2018-2019  
school year!**

# TRACK Position

**June 2017 Report**

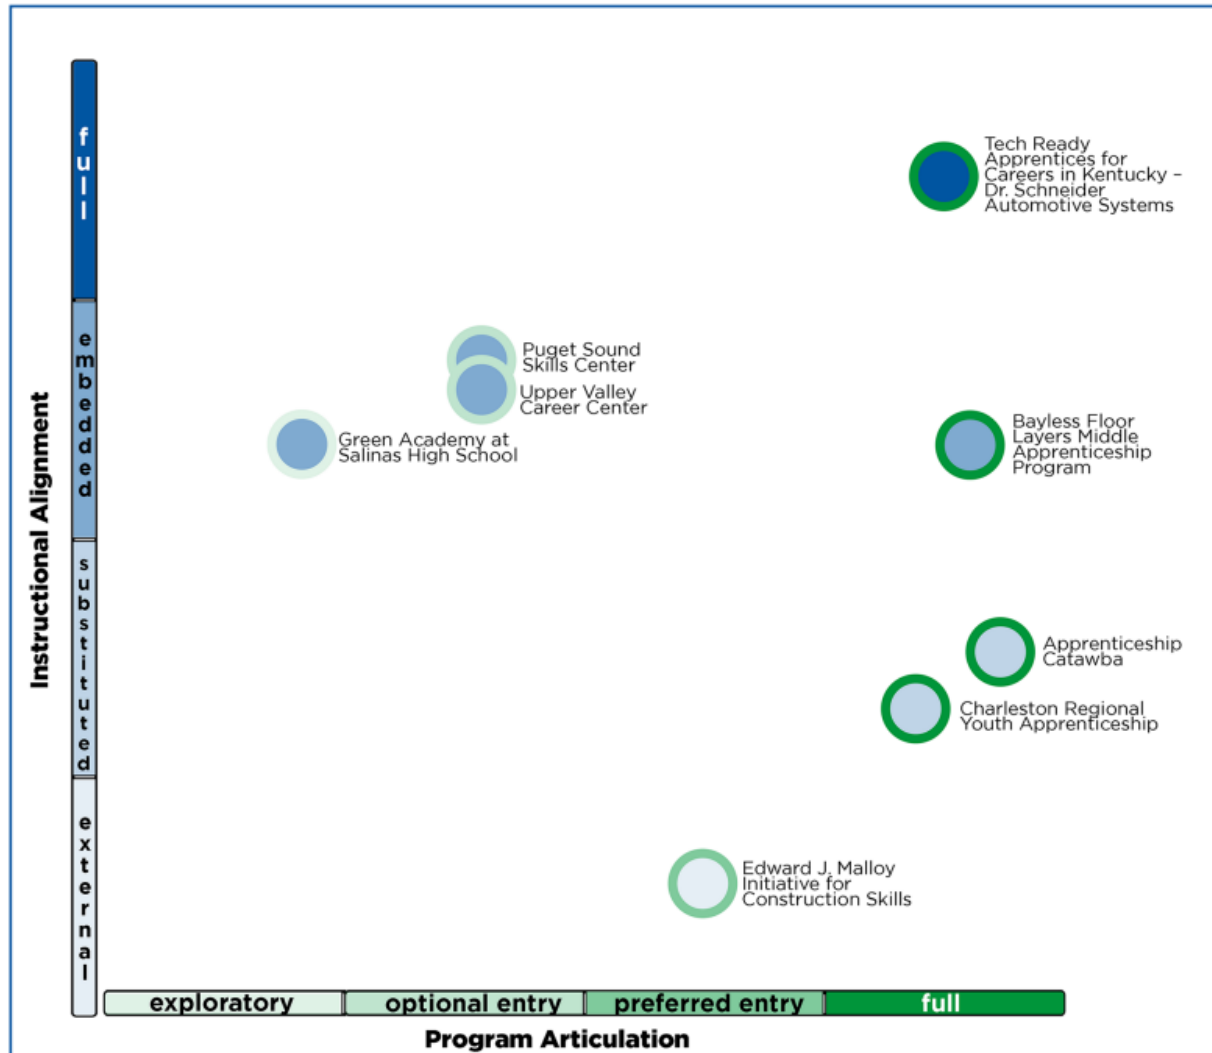

**U.S. Department of Education**

***Opportunities for Connecting Career  
and Technical Education  
Students and Apprenticeship***

# TRACK Wins!

Figure 1: Degree of instructional alignment and programmatic articulation between CTE and apprenticeship in study sites
