

LES Board Report

December 2017

- Students in grades kindergarten through sixth grade finishing their winter MAP benchmarking tests. The students were challenged to meet their individual MAP goals and all students worked hard to do their best on these tests. A data chart will be shared with the Board of Education members at the January board meeting.
- Our Fall Round of ATMs (Advisory Team Meetings) took place over these last couple of weeks. We determined students who are struggling academically and developed next steps and interventions for each student. Our intermediate students who are failing one or more classes are on their *Contract to Pass* – a contract that helps them stay focused on ways to help them succeed.
- Our afterschool club offerings and sports continue to grow. We now have our Robotics club and wrestling are now underway and our Drama Club and Special Olympics kick-off in January.
- The PTC continues to be an active organization at Lincoln Elementary. They recently hosted their annual Santa Shop and a Holiday Family Fun Night on Friday, December 8th. They will be hosting the Children's Theatre for our entire student body on December 12th.
- LES Committee Work –
 - PBIS Team – This team continues to meet to discuss implementation progress of our school-wide PBIS framework. Additional ideas continue to be implemented.
 - Curriculum Team – The curriculum team continues to work with Mr. Wolf on the LES Writing Plan.
 - Instructional Strategies Team – Mrs. Dragan is working with this committee to complete CSIP diagnostics and plan.
- Upcoming LES school-wide events:
 - ✓ December 12th - Arts and Humanities Assembly – The Children's Theatre of Cincinnati will be visiting LES for the performance of "*Celebrate the Season*".
 - ✓ December 15th - Annual LES Holiday Program at DHS @ 1 pm
 - ✓ January 16th – Healthy Living Family Night #2 @ 5:30 pm
