

DAYTON INDEPENDENT SCHOOLS

This year Dayton is hosting the girls division of the All "A" Classic this year. The tournament runs the week of January 8th-13th, with the championship being played on Saturday, January 13th at 7:00p.m.

What we do know for sure here at Dayton is that we are deeply indebted to Coach Stan Steidel who had a vision for Class A schools and had the heart to ensure that it happened – by creating the tournament we now know as the All "A" Classic.

Given his instrumental role in the creation of the All “A” Classic, and all of the time and dedication that you put into Dayton and Dayton's basketball program, we believe it to be the least we can do is honor Coach Stan Steidel, a 1959 graduate of Dayton High School, at that Championship - by unveiling the naming of our court as the Stan Steidel Court; Home of the All A Classic.
