## Phase III: Executive Summary for Schools

### Executive Summary

#### Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Lakewood Elementary School is located in the rural community of Stephensburg, Kentucky. Our community consists of our school, a middle school, a drive-in diner, and a volunteer fire department. There are several small churches in the community as well. However, our school district encompasses several other communities including White Mills, Big Clifty, and Eastview, as well as parts of Cecilia, Glendale and Elizabethtown. Our school is home to 540 students in preschool through 5th grade. The student population is 90.8% white and has a free/reduced lunch rate of 56%. Because many of our students live in rural areas, they do not have access to venues such as libraries, museums, or parks. The school is one place where the families can gather and spend time learning with their children.

Please be sure to upload the files in the Attachments section at the end of the diagnostic.

#### School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs.

Describe how the school embodies its purpose through its program offerings and expectations for students.

Vision Statement: Lead, Learn, ROAR Mission Statement: Lakewood Elementary strives to challenge each student toward academic, social, and lifetime success by providing a safe, consistent, quality educational environment that meets students' needs through diverse learning communities. Our vision statement drives everything we do at Lakewood. Our focus on leadership is seen through the implementation of The Leader in Me program. Lakewood is proud to be a fourth year Leader in Me school. As learners, we expect all our students to show one year of growth for each year they spend at Lakewood. We measure growth through our district assessment. Finally, we want our students to ROAR! ROAR is an acronym we use for our Positive Behavior Interventions and Support: Ready to learn, Own your choices, Always lead, and Respect others' differences. We also want our students to ROAR and be noticed by their community for their achievements.

Please be sure to upload the files in the Attachments section at the end of the diagnostic.

#### Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Notable Achievements: Governor's Cup District Runners Up, Marine Corps Fitness Team Competition Overall Winners, Project Fit America School, Leader in Me School, State Art Contest Winners, Preschool Classroom of Excellence, Five-Star Preschool Rating, 4 National Board Certified Teachers, Read to Achieve Grant, KPREP data shows increase in achievement, gap and growth performance, multiple Google-certified educators, three one-to-one classrooms Areas for Improvement: Earn Lighthouse Status as a Leader in Me School, Earn overall rating of 4 stars or higher on new accountability system, Increase Teacher Leadership Opportunities

### **ATTACHMENTS**

Please be sure to upload the files in the Attachments section at the end of the diagnostic.

### Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Lakewood Elementary loves to share how we are leading and learning on social media. We have active Facebook, Instagram and Twitter accounts and you can follow our school using #LeadLearnROAR on social media. We also maintain a website where parents can learn about our school.
