Conference Registration is Now Open!

NASDME is pleased to announce that Registration is now open for the 2018 National Migrant Education Conference to be held in Portland, Oregon from Sunday, April 29 to Wednesday, May 2, 2018.

This is the largest migrant conference of any kind held each year in the United States. It is the premier professional development opportunity for migrant education staff and others working with migrant students and families. We invite all of you to join 1,500 Migrant Ed colleagues who will be attending!

There will be more than 175 high quality workshops and four exciting, and meaningful general sessions. Network with your colleagues from across the country. Learn from the speakers and presenters and from each other. Gain new ideas and hear about success stories all aimed at maintaining the high quality of the Title I, Part C Migrant Education Program.

It is now more important than ever to come together, to learn from each other, to gain and give support, and to understand better the policy changes which are in the pipeline for education, immigration, health care, and other issues.

Go to the NASDME website at www.nasdme.org to find the registration portal. Click on the big green Conference arrow on the top of the home page or the "The National Conference" tab on that page.

For more information, view the tentative [conference schedule](#). The conference hotel information will be available in January 2018.

See you in beautiful, friendly Portland, Oregon!

No matter what it is you'd like to be, do, eat or drink, even if you've never tried it before -
You Can, in Portland.
