I think the key points here is that it prevents Woodford from driving through the 11th region to get to the 8th. It has us traveling to closer schools for our district or its equivalent. And it meets the needs for the new Scott Co school.

Greg Roush

Principal

Western Hills High School

100 Doctors Drive

Based on our conversation. Here is a proposal for realignment. It takes care of the new school, puts Woodford in the 12th region, which is their side of town. Puts FC, WH, and FH in the 8th.

Thanks and let me know what you think.

Greg Roush

Principal

Western Hills High School

100 Doctors Drive

Frankfort, KY 40601

502-875-8400

It is the mission of Western Hills High School to provide a well-rounded and challenging educational environment that places an emphasis on personal responsibilities, respect for individual differences, and inquiring minds so that students can develop the skills and abilities to be productive members of society.

Greg Lawson had this new alignment that would put us in the 8th region. Take a look at it and see if this is something we want to go with and if so then we could let Mr. Kopp send it over.

Subject: Regional Realignment

This is the regional realignment plan (Regions 1-16).

Here are the positives:

1. Every team in Regions 1-4 are in the central time zone. Every team in regions 5-16 are in the eastern time zone.
2. 63 of 64 districts are four or five team districts.
3. Jefferson County comprises ALL of Regions 6-7, no other districts have to be at the mercy of the JCPS master schedule.
4. All schools/countys in Region 11 physically touch Fayette County

Other parts of the plan:

1. Woodford Co. goes to Region 12
2. FCHS, WHHS, FHS go to Region 8
3. Accounts for the entry of Great Crossings High School
