Action/Discussion Item: To approve a teacher assignment different from certification area.

Applicable Statutes or Regulations: 707 KAR 1:320 Individual Education Program (Statutory Authority: KRS 156.070, 156.060, 157.220, and 167.015)

Background and major Policy Implications: Due to the number of students requiring a special class setting the MSD units at Adams Middle School and Allen Elementary were combined into one MSD classroom located at Allen Elementary for the beginning of the 2017-18 school year. The MSD teacher from Adams was reassigned to Prestonsburg High School. However, the parents of a 15 year old MSD 8th grade student from Adams Middle School requested their child be permitted to stay at Adams for the 2017-18 school year. The local education agency shall submit requests for teacher assignments different from their certification area to the local Board of Education for approval prior to notification to the Kentucky Department of Education. Board action shall be subject to confidentiality requirements.

Fiscal Budgetary Impact: None

Alternatives: None proposed.

Recommended Action: The Board of Education approve the teacher assignment different from certification area.
