Change	Reason
Title: Strike former title and replace with "Continuous Improvement Planning for Schools and Districts."	The old title references accountability which is no longer included in this regulation.
NECESSITY, FUNCTION AND CONFORMITY: Strike outdated language and replace with correct statutory references. (P. 1, Line 10-21 Pg 2, Line 1.).	The continuous improvement planning outlined in this regulation is the process included in Kentucky's State Plan as submitted to the United States Department of Education under ESSA.
Section 1: Strikes all definitions except Comprehensive District Improvement Plan and Comprehensive School Improvement Plan. (P. 2-6) Adds definition of "charter school" and "charter school board of directors". (P. 2 Lines 9-11)	The deleted definitions are associated with the former accountability system and no longer relevant. Definitions are modified and included to align with requirements under the accountability system 703 KAR 5:270.
Sections 2 through 7. Strike all language. (P. 2-11)	These sections reference accountability which is no longer needs to be included in this regulation because it is addressed in 703 KAR 5:270.
Section 8: Change the Section number from 8 to 2.	This change is to align with the numbering of previous sections.
Section 9: Change the Section number from 9 to 3. (P. 14-15) Delete references to priority schools and focus schools and the specific CSIP requirements for them. (P. 15-17)	Include due dates for completion of the CSIPs and CDIPs. These changes are necessary for alignment to changes in SB 1 (2017) and ESSA.
