Lesson Plans

In this latest collaboration between StageOne and award-winning playwright Idris Goodwin (And in This Corner Cassius Clay), some of America's most beloved folk tale heroes spring to life in a world premiere play. Join in the adventures of John Henry and his steel-driving hammer, twister-lassoing Pecos Bill, and the mischievous trickster Brer Rabbit. American Tales will complement any lesson plan that includes folk tales, mythical heroes, and storytelling, and will resonate with the adventurous spirit within every child.

Lesson plans are available on the Stage One website that include vocabulary, pre and post play activities and more. The curriculum is connected and tied in with Common Core standards for 4th and 5th grade english and social studies.
