

Agriculture Department Surplus List

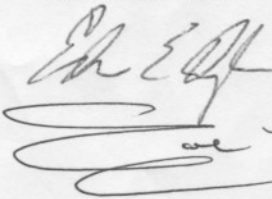

The following items are located in the agriculture laboratory. These items are outdated and have not worked properly for a number of years. Most of these items are unsafe for students to operate or even be around. The agriculture department wants to list these items as surplus so that updates can be made in the Agriculture Department.

1. Powermatic Table Saw
2. Powermatic Jointer
3. Band Saw
4. 2 Industrial Hobart Mig Welders
5. 1 Fish Tank
6. Television and Cart.
