February 2018 Board Report

Daycare Report

- Final balance Report
- We have submitted our new application for KY ALLSTARS.
- Seeking Approval to increase the rates for Daycare from \$125 per week to \$135 per week. This increase of \$10 will increase our revenue for the last few months of school to help decrease the deficit.
- Limited revenue streams are available for childcare agencies.

Early Childhood Learning

- We've had 5 Play and Learn Events held at LES so far this year.
- We are in Week 17 for Book-A-Week. We've given out over 2,300 books this year to our community children birth-preschool! We need to close that 30 million word gap.
- The most recent edition of Seedlings has been well received by the community.

Special Education/504

- Same report from last month.
