## **Lesson Plans**

Middle School Band directors nominated students to attend the WKU Honors Band Clinic. These students will be given ensemble experience and participate in a true Honors Band performance. The clinicians, teachers, and conductors will prepare and perform a composition in just one day of rehearsal. With the GT Department sponsoring this trip in previous years, students have always had a wonderful experience. The band directors also get to participate in professional development sessions, as well. Thank you for your consideration.
