

Proposed Grant Information

School: District

Date: February, 2018

Grant Award Amount: \$11,000

Contact: Ben Payne

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of this grant is to secure funding for a new "Buster the Bus" through the KY Highway Safety grant program. This would be a one-time funding opportunity.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant funds would be used to purchase another "Buster the Bus" robot for use by the District Transportation Dept. during the School Bus Safety programs in the Pre-school and Elementary Schools. "Buster" will be purchased upon receipt of funding and will be used beginning in August, 2018.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

All expenses related to the purchase of "Buster" will come from the Highway Safety grant. No district funds will be used.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one-time purchase and Buster will last for many years. The current "Buster the Bus" is approximately 25 years old and in need of replacement/repairs.

Proposed Grant Information

School: Spottsville

Date: February, 2018

Grant Award Amount: \$125,000

Contact: Sara Estabrook/ Brian Bailey

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The grant funding will equip two "Maker Space" workrooms in the new Spottsville Elementary that will encourage hands-on, project-based learning through the use of state-of-the-art technology resources. AT&T Aspire grant will award \$125,000 to selected schools for the purpose of engaging students in innovative ways utilizing technology.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant funds will purchase all technology equipment, materials, supplies and teacher training for the "Maker Space" areas.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

The grant funds will pay for any equipment, supplies and materials if the request is successful.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This initiative could serve as a model for other district schools when planning for technology funding requests. On-going technology funding as well as school allocations would help keep the hands-on learning available to the students.

Proposed Grant Information

School: TBJELC

Date: February 2018

Grant Award Amount: \$1,000

Contact: Rhea Isenberg

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant request is to secure additional library books for the TBJELC media center. The "JUMP" library grant is funded by American Library Association and will be available for the 2018-19 school year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The funds will be used to purchase library books for the pre-schools' emergent readers as they prepare for kindergarten readiness skills.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

Only grant funds will be used for the purchase of the additional books needed.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one-time funding initiative. The Media Center staff are always looking for additional grant funding resources.

Proposed Grant Information

School: South Middle School

Date: February, 2018

Grant Award Amount: \$10,000

Contact: Heather Buley-Coomes

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant application is to secure library books for the South Middle School Media Center. The Association for Library Services to Children grant donation, valued at approximately \$10,000, will provide three schools nation-wide a large selection of books to enhance their collection.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The donation is in the form of books for the media center and will be available for the 2018-19 school year.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

This application is to allow South Middle School to be considered for receipt of these donated books. There are no expenses with this request.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one-time funding opportunity if selected.

Proposed Grant Information

School: TBJELC

Date: February, 2018

Grant Award Amount: \$20,000

Contact: Ginger Ashby

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant funding is to provide funding for the Henderson County Early Childhood Council for their work with parent engagement activities and trainings such as the "Bornlearning Academy". The funding will come from the KY Governor's Office of Early Childhood and will be for programs during the 2018-19 school year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The funding will be used for the "Bornlearning Academy", salary for parent workshop facilitators, books for pre-school students, and supplies/materials for the monthly parent meetings.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

The grant will be utilized in conjunction with other Early Learning Center activities to support high-quality, pre-school parent engagement activities as they work to help students acquire kindergarten readiness skills.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a yearly funding initiative that has been in existence for over ten years.

Proposed Grant Information

School: District

Date: February, 2018

Grant Award Amount: \$85,000

Contact: Nancy Gibson/ Tom Hurt

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant application is to secure funding for continuation of the district's HOME program which serves the needs of the approximately 325 students currently identified as homeless. The funding is through the McKinney-Vento grant from the KY Department of Education. The funding is for one year with up to three years of extensions.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant provides funding for the HOME Director, Program Advocate and the Bi-lingual Instructional Assistant. Funds are also included for transportation, welfare and materials/supplies for the program. The funds will be for the 2018-19 school year.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

The HOME grant will provide all funding for the HOME program staff and programmatic goals and objectives.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one-year grant with the possibility of three years of funding.

Proposed Grant Information

School: South Heights

Date: February, 2018

Grant Award Amount: \$1,500

Contact: Breanna Cox

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant request to the Rotary Club is to support the annual SOAR dinner and awards ceremony and the 5th Grade Celebration/Graduation.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The Rotary Club funding will help with the costs of the medals, trophies and certificates for the intermediate students.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

The Family Resource Center will help with additional costs for the ceremonies not covered by the grant funds.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The South Heights Family Resource Center will continue to seek other grant funding to help offset the FRC budget reduction that occurred for the 2017-18 school year.

Other relevant information.

Proposed Grant Information

School: District

Date: February, 2018

Grant Award Amount: \$1,700

Contact: Ryan Reusch

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant request is for funding the districts' newly organized elementary cross-country program awards. The grant from the Rotary Club will be for the first year of the program.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

Grant funds will be used to purchase top ten place finishes as well as participant ribbons. Other expenses will include signage for the cross-country course, stop watches for the elementary and middle school coaches and powdered drink mix for participants.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

The grant funds will cover the anticipated costs for the first year of the program.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The cross-country program will continue to seek funding support and sponsors for the program in the future. The anticipated participation, based on the hundreds of students who have run the past two years in the elementary cross-country events, will continue to grow as more students become involved in this life-long sport.

Proposed Grant Information

School: South Middle School

Date: February 2018

Grant Award Amount: \$3,000
Coomes

Contact: Heather Buley-

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The purpose of the grant request is to seek funding for purchasing additional books for the South Middle School library. The Rotary Club grant will be used to purchase new books for the 2018-19 school year.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The \$3,000 requested will purchase between 200 – 300 new books and periodical for the 2018-19 school year.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

No books will be purchased without the support of the grant funds.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is a one-time grant application. Other grant funding resources are being sought and other fund raisers are being considered to add books to the South Middle School collections.
