RE: Request for Review and Approval of Location Agreement – J&J Snack Foods

The attached outlines the terms, etc. of an agreement between J&J Snack Foods and BCPS School Food Service to provide hot holding/display equipment for a la carte pretzel sales at Bullitt Central High School during lunch service. SFS also requests authority to expand the agreement to other high schools (NBHS, BEHS, and ROC) at a future time if project is successful.

There is no cost for the equipment. J&J Snacks is a manufacturer of several of our menu items (e.g., pretzels) which are properly procured through our OVEC/KEDC bid with Gordon Food Service.

This agreement has been reviewed and approved by Eric Farris. Please let me know if you need additional information regarding this request.

OK for Feb
