

Dayton High School – Dual Credit Program - 2016-2017

24

Wow!

Juniors and seniors (or 19%) took Dual Credit classes during the 2016-2017 school year while at DHS. This means they earned both high school and college credits simultaneously. If a student takes 4 classes during both their Junior and Senior Year, they can potentially have a year of college under their belt before ever graduating from High School!

By The Numbers.....

267

College credits earned (average of 12 credits earned per student, per year)

91%

Of students taking Dual Credit classes went on to college after graduating from DHS.

94%

Of students earned an A, B, or C in their dual credit classes

85%

Of these students earned an A or B in their DC classes.

Potential Savings

Potential Savings for Dayton Family if Attending NKU - \$9,000

Potential Savings for Dayton Family if Attending University of Kentucky - \$10,173

Potential Saving for Dayton Family if Attending University of Louisville - \$11,068

Interested in taking Dual Credit Classes?
