RE: Board Agenda Item – Girl Scout Project –Kasey Clark – Buddy Bench

Presented for Board approval is a request from Mr. Patrick Durham to allow Miss Kasey Clark, a local girl scout with Troop 1827, to provide and install a buddy bench at Shepherdsville Elementary in the playground area.

This will serve as Kasey's Bronze Star Award project. The bench will be designed as a place for people to meet new friends or simply feel safe. The funds to cover the project will come from a dollar dress down day at the school. Kasey and Troop #1827 will continue to maintain the bench for years to come.

I recommend the Board approve the request from Mr. Durham to allow Miss Kasey Clark, a local girl scout with Troop 1827, to provide and install a buddy bench at Shepherdsville Elementary in the playground area.

Re: Girl Scout Beautification Project Request

Kasey Clark, a 5<sup>th</sup> grade Shepherdsville student with Girl Scout Troop 1827, is requesting permission to build a "Buddy Bench" that will be located in the playground area. The Buddy Bench will be designed to allow students the opportunity to build new friendships with other students. She has requested the school hold a dress down day for \$1 to help fund the project material requirements. At this point Miss Clark has worked to ensure the project would also include future maintenance for the bench from her Girl Scout Troop.
