Re: Approval of bicycles for an attendance incentive

The David Vittitoe Memorial Foundation would like to donate two bicycles to each elementary school in Bullitt County to serve as an attendance incentive for the spring semester. The estimated value of the donation is \$1820.00. The elementary principals were polled and they will welcome a donation of this nature.

Last school year the David Vittitoe Memorial Foundation donated one bicycle per elementary school. David Vittitoe Memorial Foundation banners were displayed near the bikes last school year. It is asked that the banners be displayed again this year in the same manner.

Please let me know if you have any questions.
