

SPENCER COUNTY LADY BEARS SOFTBALL

February 20, 2018

My name is Donald Murphy, Head Coach of the Spencer County Lady Bears Softball Team. The past two seasons the Lady Bears have been extremely competitive and have accomplished back to back 20+ win seasons. This year we are poised to make a strong run, with the goal to compete for a State Championship. As we continue to develop our program and strive to be considered one of the top teams in the State, our softball facilities need numerous upgrades. Our goal is to steadily improve our softball facility as monies are allocated and with fundraising efforts.

The purpose of this letter is to ask for your support with the field banner sponsor program. As most of you are aware, the softball program receives a limited amount of money from the general athletic budget, we mostly rely on fundraising efforts such as selling different items, litter collection, golf scramble, and field banner sponsors. We are asking the community for support and appreciate any donation.

If you would be interested please fill out the form that is attached or give us a business card with the information. Your advertisement will be seen by every guest at our home games and your support will be acknowledged throughout the season.

We thank you in advance for your support and we invite you to come watch the Lady Bears Softball team in 2018!
