Stacy,

If you have additional questions, don't hesitate to let us know. Ryan and I can come to your school and present everything to both students and staff.

All of Ryan's information is correct. Here are the requirements listed in the brochure. It sometimes helps to think of our DC program as having 3 levels (see below). So, a senior who qualifies for 2 free classes per semester could take 2 classes in the Fall and Spring semesters. A junior who qualifies for 1 free class could take one class each Fall/Spring of both his or her Jr/Sr year. Of course, a student could improve his or ACT and move up from 1 class to two classes.

1. Students with a 3.0 GPA and min. ACT of 18 Eng, 20 Reading and 20 Composite qualify for the Dual Credit tuition (Fall 2017 and Spring 2018 is \$53 per credit hour-\$159 for a 3 credit-hour course). In the past, schools have used funds from their state/KHEAA dual credit funds to pay or students pick up the costs.
2. EKU Now! Dual Credit Scholarship - One (1) Dual Credit class free per semester (Fall/Spring)
You must have a 3.0 high school GPA or higher.
You must have minimum ACT scores of 18 in English, 19 in Math, 20 in Reading and a 21 Composite.
3. Whitlock Scholar Candidate - Two (2) Dual Credit classes free per semester (Fall/Spring)
A minimum un-weighted 3.5 high school GPA.
Minimum ACT scores of 18 in Eng, 19 in Math, 20 in Reading and a 23 Comp.

For now, we plan to offer the classes below in an Online/Web-Blended format each Fall/Spring Semester. So, your qualified students could take up to 1 or 2 of them during the Fall/Spring semesters.

<u>EKU Classes</u>	<u>Corresponding KDE Course Title and Code</u>
CRJ 101 (Introduction to Criminal Justice)	Introduction to Criminal Justice (461044)
PLS 103 (Police, Order Maintenance and Crime)	Law Enforcement (461045)
PLS 220 (Criminal Investigations)	Criminal Investigation (461043)
COR 201 (Introduction to Corrections)	Correctional Systems (461037)

If Breathitt wanted to make our ECU Dual Credit Criminal Justice classes a part of a Career Pathway you establish at your school, you would need one additional class to make that happen for the pathways below. At this time, we don't offer a class that would meet the requirements for the last class. If you click the links below, you can see a list of the options and the process for creating a class that might qualify. We plan to re-visit the classes we offer each year to make certain they fit within our budget and program goals. So, the above classes are what we're planning for the 2018/19 school year, unless we get drastic budget news from Frankfort.

Stacy

I will send a request to our Dual Credit Office for a MOA. Attached is our ECU Dual Credit brochure. Students have the opportunity to take 1 or 2 Criminal Justice classes at no charge if they qualify for our scholarships which are listed on page 2. The Criminal Justice classes do not require a textbook so there is no charge for that as well. There is no cost to the district. If students do not qualify for the scholarships, the standard \$159 per class will be required by the student. All dual credit info is detailed in the brochure. If you need any assistance from me, I will be more than happy to come by and answer any questions you may have. Thank you for the opportunity for ECU to become partners with Breathitt County Schools. We look forward to assisting your students.

We are interested in pursuing this dual credit option. Can you forward me the MOA so we can present it to our board for approval? Our board meets February 27th, we could return the MOA after the meeting. Also, will the MOA spell out the cost to the district and/or student?

Thanks,
