RE: BAMS Early Graduation Request

On behalf of the Student Learning Division, we are requesting early graduation for the following seniors within the Bullitt Advanced Math and Science Academy (BAMS) that attend Jefferson Community and Technical College, Gatton Academy and Craft Academy to be on April 27, 2018. Once the cohort has officially graduated from their respective high schools, colleges can then post student coursework on high school and college transcripts in a timely manner. This action will benefit seniors enrolling in college courses this fall and expedite scholarship opportunities. Each BAMS student can choose to participate in his or her college graduation ceremony along with his or her high school ceremony.

Graduating students include:

Courtney Blevins
Gabrielle Bowden
Kyler Flener
Brianna Gates
Sarah Hinojosa
Dylan Hoskins
Drew Houchin
Garrett Jones
Jacob Lawless
Margaret Lewis
Anna Lloyd
Ishika Patel
Benjamin Reese
Christian Rouse
Hannah Wilbert

Early Graduation approval is requested for the above BAMS students.
