Re: 2018 Graduation Ceremonies

This is a request for the board to approve BCPS county wide graduation day to be held on June 10, 2018. As in prior years, graduation day will be held in Freedom Hall at the Kentucky Exposition Center. Due to the fact that Jefferson County Public Schools and Oldham County Public Schools get first choice dates for their graduation day with the Expo Center, the first available date for BCPS is June 10th. This day is on a Sunday but I feel that it would be better to graduate on this date rather than having to wait until the following weekend. Graduation during the week would be hard for most families to accommodate due to work schedules. I have backed up the first graduation time to try to accommodate as much as possible for Sunday services.

The following will be the schedule of events according to the rotation schedule:

<b>Bullitt Central High School</b>	<b>1:00pm</b>
<b>Bullitt East High School</b>	<b>4:00pm</b>
<b>North Bullitt High School</b>	<b>7:00pm</b>

Approval is requested for all BCPS high school graduations to occur on Sunday, June 10th at Freedom Hall.

*OK for March
