RE: Board Agenda Item – 3D Art Display Case – Eastside Middle School

Presented for Board approval is a request from Mr. Troy Wood to purchase and install a 3D art display case at Eastside Middle School.

Eastside Middle School will install the wall-mounted display case in the foyer. Currently, a bulletin board is in this location. This will allow students' 3D artwork to be displayed for other students to see as well as the community when visiting the school. The cost for the display case will come from Eastside's Fund 22 account.

I recommend the Board approve the request from Mr. Troy Wood to purchase and install a 3D art display case at Eastside Middle School.

RE: Board Agenda Item – Wall Mounted Display Case – Eastside Middle School

Eastside Middle School would like to install a wall mounted display case to display the 3D art work of our students. The wall mounted case will replace the bulletin board currently installed in the foyer by the staircase, which is the current preferred location.

The size of the display case is 4'x10'x16".

Please see the image below for an example of what the display case will look like.

Please contact me with any questions or concerns.
