Sherry Robinson- Chair - District 5
Dr. Chandra Varia, Vice-Chair - District 2
Linda C. Gearheart, Member - District 1
William Newsome, Jr., Member - District 3
Rhonda Meade, Member - District 4

Date:

Consent Agenda Item (Action Item): Consider/Approve an emergency certification for both a Health teacher at Floyd Central High and a Social Studies teacher at Prestonsburg High School.

Applicable State or Regulations: KAR 2.210 Emergency certification and out-of-field teaching.

Budget/Financial Issues: None

Background and Rationale: As there are no certified applicants for the social studies position at PHS, the principal wishes to select an applicant who holds a Statement of Eligibility for Social Studies. There is insufficient time remaining in the school year for any person hired at this time to complete the KY Teacher Internship Program. Without KTIP completion an applicant cannot be deemed to be certified. The request for emergency certificate is warranted.

As for Floyd Central, there is no vacancy but a scheduling error created an out of field situation in the health and physical education department. Currently there are more students assigned to health classes than can be serviced by the one teacher who holds certification in health. Requesting an emergency certificate for the other teacher assigned to teach health classes would eliminate the out of field situation.

Recommended Action: Approve as Presented
