The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

ARTICLE IX Termination for Convenience of the Board

The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor.

If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI

Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.
