

South Livingston Elementary Student Fees:

The SBDM Council lowered classroom fees to \$10.00 in 2015. The fees were at \$15.00 until that time. The 2017-2018 SBDM council approved raising the classroom fee back to \$15.00 for the 2018-2019 school year. The fee is advertised in the student handbook that is approved by the SBDM Council each year. Families receive the Household Income Form during our registration process since we are a Community Eligibility Provision (CEP) school at present. Families who qualify for fee waivers do not have to pay the classroom fee. No child is denied access to any educational program due to an inability to pay the fee. The fees are used to purchase planners and folders for each student and no student is denied a planner or folder if they are unable to pay the fee.

Our request is that the board approves our \$15.00 student fee for 2018-2018.
